Dear Hazel:

25X1A

The total value of FY-64 Exhibits submitted, [REDACTED] on 25X1A December 1964 was correct as stated. We did, however, make an error on Purchase Request 196, Item 115, (Exhibit 8345), which accounts for your total of [REDACTED]. The quantity of fourteen (14) each indicated on Item 115, should have been nine (9) each. While we did not indicate the correct quantity, we did multiply the unit price by the correct quantity, thus arriving at the correct Exhibit value total. This error was corrected in our 26 March 1965 submittal. A copy of revised Exhibit 8345-1 is attached.

We have researched our 15 February submittal of exhibits and cannot detect an error in our total of [REDACTED] which you indicate 25X1A should be [REDACTED]

Our total values of exhibits submitted as of 26 March 1965 is as follows:

FY-64

FY-65

These totals include all of the revised exhibits submitted to that date which correct or modify previous submittals.
